## **DETAILED ACTION**

## Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Independent clam #1 is allowed over the prior art, which does not disclose each of the two half-yokes is fitted with permanent magnets on a surface facing a slot-like intermediate space that is fitted with material configured to expand under the influence of impregnation resin.

Independent claim #6 is allowed over the prior art which does not disclose each of the two half-yokes is fitted with permanent magnets on a surface facing a slot-like intermediate space that is fitted with material configured to expand under the influence of impregnation resin and magnetizing the magnets are once the two half-yokes have been joined together to form a pole element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

## Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Heba Elkassabgi whose telephone number is 571-272-2023. If attempts to reach the examiner by telephone are unsuccessful, the examiner's

Application/Control Number: 09/936,931

Art Unit: 2834

supervisor, Darren Schuberg can be reached on 571-272-2044. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see http://pair-direct.uspto.gov. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
